

WHAT PEOPLE ARE SAYING

"I used to superficially deal with issues, something that seemed to be the sole cause of my undoing in my personal life...But this was a real and true about-turn in my life. It has been a period of getting back that which I had lost to the enemy--allowing a foothold in me" N.N.

"Your coming...was G-d's assignment for me. You led me through a deep healing of bitterness and looking for the favor of man from childhood...when you took me through the process I saw: 1) the brightness of G-d; 2) hand shaking and embracing by Jesus; and 3) I felt seated on a mountain and G-d told me He will dress me." L.O.

"We have several new people in our congregation now...they look kind of familiar but are totally different people from last week!...new freedom and decision and resolve...You are a blessing to our community!" — Pastor

This is the best thing I've done for myself! I am so free and thankful to the L-rd for his love!! Happy and free" — A.W.

"Your ministry to...(and to us!) is such an incredible blessing. Your time and experience in these matters are invaluable, I know words can't capture the value of what you (and the ministry of the Pastoral Care Ministry) are doing for our community—but know that you are a blessing!" — Pastor Mark

"Thank you so much for helping me work through my garbage so I could get closer to the L-rd. You have touched my whole family. I just wanted to say thank you for everything you have done for us." — D.J.

Looking For Freedom In Your Life?

*In **From Bondage to Freedom** we examine many aspects of our relationship with G-d and others. You will experience, in a biblical based manner, a deeper more intimate relationship with G-d than you possibly have ever known. We will cover the following areas of our lives:*

- Offenses*
- Pride*
- Deception*
- Anger, Resentment, Bitterness, Hatred*
- Forgiveness*
- Generational Curses*
- Soul Ties*
- The Occult & Secret Societies*

We will explore root causes of personal identities and relationship problems. As the root of an issue is dealt with the problem loses it's ability to keep you in bondage. This weekend will combine information, revelation, and inspiration to bring about transformation in your life.

What Can I Expect?

We have all encountered offenses of some kind in our life. Jesus even warned that "offenses must come." Many times those offenses have wounded us and we carry that hurt into every aspect of our life; our relationship with friends, family, spouse, children/parents, and co-workers. Many times as these offenses fester sin and spiritual strongholds begin to grip our lives.

There is good news, you can find freedom in Christ from your past sins and spiritual strongholds.

From Bondage to Freedom is a time for you to:

- Seek the L-rd
- Be grounded in the basics of faith
- Receive ministry
- Be renewed by the Holy Spirit
- Have revelation of truth
- Renounce past sinful ways and habits
- Have new spiritual beginning in your life

G-d has set a wonderful path before you during this time. May your journey through **From Bondage to Freedom** be a part of that process. We believe that G-d will meet you and continue to bring purpose, healing, and deliverance to your life.
