PASTORAL CARE MINISTRY

Healed People
Heal People

What Is Pastoral Care Ministry?

The Pastoral Care Ministry was birthed several years ago as we looked over our congregation and saw so many hurting people who desperately needed healing in their lives. Through the years many people, not only from our own congregation but, from all over began to come and find the freedom and healing they needed.

Isaiah 61:1-3 is a good description of the work of the Pastoral Care Ministry. "The Spirit of the sovereign L-rd has anointed me to preach good news to the poor, He has sent me to heal the brokenhearted, to proclaim freedom to the captives and release from darkness for the prisoners...to comfort those who mourn, and provide for those who grieve, and to bestow on them a crown of beauty instead of ashes, the oil of gladness instead of mourning, and a garment of praise instead of a spirit of despair..."

Over the past several years the need for people to be healed at a deep level is increasingly evident. With Holy Spirit led prayer it is possible to see people walk in the freedom G-d has intended for them.

Pastoral Care Ministry works with groups and individuals to bring about this freedom and train people in local congregations to minister deep level healing to help their friends experience true freedom in Jesus.

IS DEEP LEVEL HEALING FOR YOU?

We have all encountered offenses of some kind in our life. Jesus even that "offenses must come." Many times those offenses have wounded us and we carry that hurt into every aspect of our life; our relationship with friends, family, spouse, children/parents, and co-workers. As these offenses fester, sin and spiritual strongholds begin to grip our lives.

There is good news though, you can find freedom in Christ from your past sins and spiritual strongholds. Bondage to Freedom, our week-end seminar, and Deep Level Healing, our one-on-one prayer counseling ministry, are designed to walk you through forgiveness and healing so you can walk in the freedom that is rightfully yours in Christ.

Deep Level Healing is a time for you to:

- Seek the L-rd**
- Be grounded in the basics of faith**
- Receive ministry**
- Be renewed by the Holy Spirit**
- Have revelation of truth**
- To renounce past sinful ways and habits**
- Have a new spiritual beginning in your life**

G-d has set a wonderful path before you. May your journey through Deep Level Healing be a part of that process. We believe that G-d will meet you and continue to bring purpose, healing, and deliverance to your life.

Our Mission:

It is the mission of the Pastoral Care Ministry to help individuals find complete freedom in Christ Jesus.

By developing teams in local congregations and providing ongoing training we can see a greater number of people break free from the bondage's that the Enemy has place on them.

As I have traveled around the world I have seen the need for this kind of ministry in every culture as well as in every part of our own nation. People are coming to Christ in record numbers, but they are coming with all of their baggage. Pastoral Care Ministry can help bring healing at a deep level to the broken hearted, those who mourn, and the captives.

It is an amazing sight when G-d comes and exchanges the hurts and wounds of life with his comfort, beauty, gladness, and praise.
